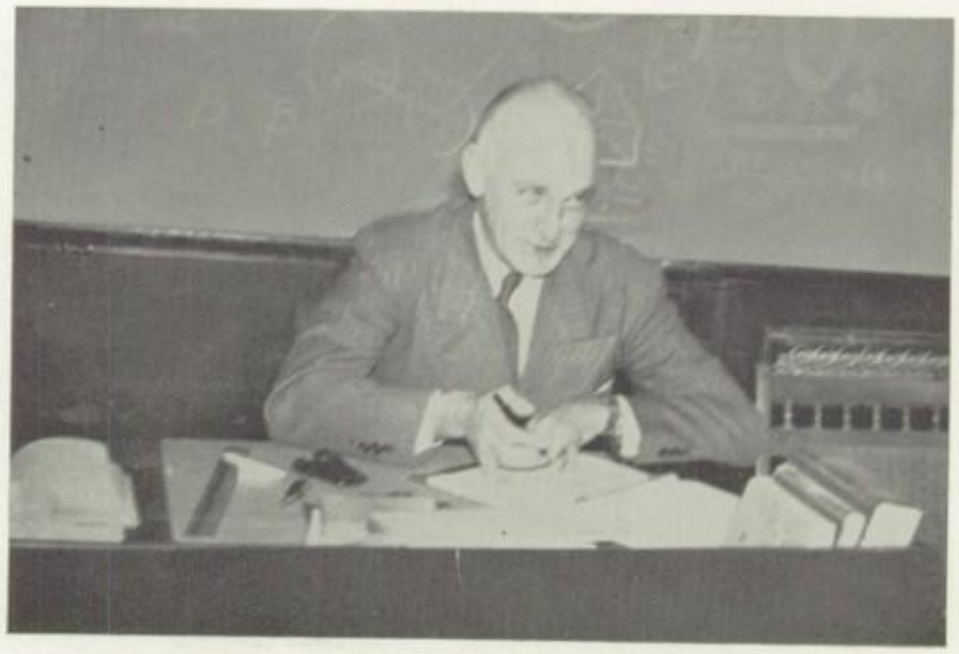
Memorabilia
1954



TO MR. JOSEPH F. McCAFFREY, ADVISOR TO
THE CLASS OF 1954, TEACHER, COACH
OF ATHLETICS, AND FRIEND TO ALL THE
STUDENTS OF THE HIGH SCHOOL,
THIS VOLUME OF "MEMORABILIA"
IS AFFECTIONATELY AND
RESPECTFULLY DEDICATED.

Dedication

To

EBEN S. COBB

THE retirement of Mr. Eben S. Cobb in June, Principal of Clinton High School for over three decades, marks the climax of the career of an educator, friend, and counselor to the youth of Clinton. Perhaps no one now living can evaluate the history of secondary schools in our community better than he. Certainly no one has more memories of the drama, tragedies, defeats, and triumphs of our school population over the years than Mr. Cobb.

When Mr. Cobb first came to C. H. S. as a teacher of science he showed early in his new profession that he was a man of talent and promise. His appointment as principal, in 1917, began an ascent in eductional circles that brought about the well-known fact that C. H. S. graduates were products of high learning, erudition and intelligence.

As football coach and athletic director of a stern period, now almost forgotten, Mr. Cobb proved himself the equal of other coaches in this area by sending out teams in superb condition and with superior knowledge. Check too the athletics and graduates of that period to see how much was accomplished by men tutored and trained by the retiring principal.

Mr. Cobb's educational career, brilliant and spectacular, won for him the title of a student with honor grade proportion. After graduating from C. H. S. he attended Holy Cross College, and later attended Harvard Law School. He is a member of the Massachusetts Law Bar.

An ardent disciple of Izaak Walton, Mr. Cobb spends vacations at his favorite brooks. In addition, he is still, at heart, the liberal arts student avidly interested in the classics, poetry, and world literature.

Above all, Eben S. Cobb has won the respect and admiration of several generations of students for his administrative skill, impartiality, and integrity. His general over-all ability finds him and has found him as a man who has worked persistently, patiently, and with enormous enthusiasm at the edge of growing knowledge in the community.

The Class of 1954, therefore, joins with a wide legion of Mr. Cobb's friends to wish him years of happiness and serenity as he embarks upon his new career.

HISTORY

FRESHMEN—

Freshmen—scared, timid, and shy
Wondering how we'd ever get by
Finding high school halls a maze
Selecting teachers in a daze
Upper classmen getting our goat
Trying to smile with a lump in our throat.

E. GOGUEN

Could anyone possible feel as alone as we did on that first high school day in '51? We faced the crowded hallways and endless rows of doors with mixed feelings of confusion and determination. How glamorous and sophisticated we thought the Seniors looked; how lost we felt among them. Heavy books and heavier homework seemed to weigh us down mercilessly. Then we gained more confidence in our ability as the newness began to wear off and we joined the crowd at Guidi's. We became aware of class spirit—something we had never felt before. Studying was a new habit we developed, and soon the routine of high school took hold as we began to recite in class and feel a sense of belonging. We relaxed and took an interest in extra-curricular activities; some joining "The High School Band" while others, the "Debating Society." The feared mid-years came and passed—we were initiated and accepted.

SOPHOMORES—

Back we came as sophomores now
Expecting freshmen before us to bow
Yet freely offering them advice
"That teacher's tough, but this one's nice"
Bolder and bolder each day we grow
Even taking part in the Thanksgiving Show.

E. GOGUEN

Confident, eager, and a little bit taller, we were really in the swing of things, wondering how Mr. McCaffrey's deep voice could ever have frightened us. He became our class advisor and aided us in our first election. We chose Billy Grady as President; Lois Keiger, Vice-President; Harold Vanasse, Treasurer; and Janet French, Secretary. We held a "Turkey Raffle" that firmly established a class treasury. Fads became important to us; dog collars and pendants were the rage for the girls, while the boys wore their hair longer and their trousers a little tighter around the ankles. That was the year we sported raccoon coats at the football games and learned all the cheers to go with them. Studies were tougher and points really began to matter. Graduation seemed years away as we wondered if we'd ever be Seniors.

JUNIORS—

Junior year triumphant and gay
Experienced now we demand our say
Caught up in the social whirl
Studies forsaken while boy dates girl
Prom or parties—each night fun
Worrying mornings 'cause our work's not done!

E. GOGUEN

At last we were upper classmen, dazzled by the glory of our new power. Careless, happy, and a lot wiser, we discarded the fads of our Sophomore year and regarded the corridors of C. H. S. as our very own. We started paying class dues, then, on election day, appointed Harold Vanasse, President; Joe Ellam, Treasurer; Lois Keiger, Vice-President; and Janet French, Secretary. We held dances to increase the size of our treasury, watching it grow and grow as we all became fudge experts and chief cake samplers. Everyone helped to make our "Junior Prom" a Hawaiian success, and '54 was only a year away.

SENIORS—

Dignified Seniors—leaders of all
How serious are we, returning in fall
Pictures are taken—the class book begun
Cramming for points but still having fun
Graduation at last, the day long awaited
But now that it's here we're far from elated.

E. GOGUEN

Our Senior year—the peak of success. Faster and faster the days rolled by, nearer and nearer to graduation. We were at the top of the ladder and happier than we'd ever been. We quickly elected Harold Vanasse, President; Judy Tomolo, Vice-President; Janet French, Secretary; and Joe Ellam, Treasurer. We finished paying our dues, excited in anticipation of graduation. We sold Christmas cards and planned our "Senior Hop" in red and silver. Our first Senior party was held at "The Yellow Barn," with many more to look forward to. We awaited our trip to Provincetown as the Class Book Staff feverishly added finishing touches to the "Yearbook." Marks were better than ever and school was a lot of fun. Spring came with the excitement, happiness, and sadness of graduation—then only memories of a wonderful class.

CLASS MOTTO

LATIN — Nulla praemia sine labore
ENGLISH — No profit without work

Ernest Joseph Allard

"He who is well-mannered, is also well-liked."

"Ernie" is one of the quietest members of our class and spends most of his time outdoors. He enjoys any kind of sports and has always been particularly fond of fishing and hiking. Swimming is also among the things he likes and he can be found at "Nashua River" whenever the weather is a bit sunny. His congenial manner and quiet smile are sure to win him as many future friends as he has made in Clinton High School. Best wishes, "Ernie," from your Senior Class.

History Circle; Tau Sigma.

Adolf Amhrein

"Serene and resolute and self-possessed."

Adolf is the boy with the taciturn nature who came to us in his senior year from Germany. Although not an active participator in sports, he is a strong follower of Clinton High's sports schedules. Adolf has proved himself a conscientious student, but don't get the idea that he's an angel. He certainly is a fun-loving and carefree boy. After graduation he plans to enter Worcester Tech and we send him our good wishes for success in his future engineering career.

History Circle; Tau Sigma.

Joan Mary Arsenault

"It is quiet people, who accomplish much."

Laughing eyes, friendly disposition and a wonderful personality is Joan, who, with her keen sense of humor, has won herself an array of life-long friends. Wherever there is fun or excitement you can be sure to find Joan. Needless to say she never misses a party, dance, or other social function. "Jo" spends much of her time selling tickets at the Strand Theatre. To you, Joan, the Class of '54 extends their best wishes for success in your chosen profession of nursing.

Band 1, 2; Junior Prom Committee; Debating Society 2, 3, 4; History Circle.

Patricia Nancy Barbaresi

"Happy, carefree all the while
Her secret lies within her smile."

Now we proudly present "Pat." At first, one might get the impression that she's rather shy and demure. To the contrary, this vivacious miss has often amused us with subtle wit and merry manner. "Patsy" is quite an accomplished cook and her pizzas are strong competition for the Lazy A. In the fall, "Pat" will enter Fitchburg State Teachers College and we are assured that she will succeed as a pert and pretty "school m'am." '54 wishes you the very best of luck, "Pat."

History Circle; Candy Committee; Latin Club 2, 3; Junior Prom Committee.

John Thomas Bateson

"What care I for books?"

John is one of the members of our class who really enjoys dancing and does it well. He takes everything as it comes and allows nothing to bother him. Although John doesn't participate in many sports he is a strong rooter for the team. His plans for the future are definite as he intends to enter Norwich Military University. His interest in engineering and his determination for success will make his future a bright one. Good luck, John, from the Class of '54.

History Circle; Tau Sigma; Debating Society 1, 2, 3, 4; National Forensic League 1, 2, 3, 4.

Nancy Ann Bergstrom

"Nancy — the very name is gentleness."

"Nan" comes to C. H. S. from Greeley hill where she has lived most of her life. She plans to be a "lady in white." Quiet and sincere in a very likeable way, Nancy has always wanted to be a nurse and has worked toward this profession in choosing her high school subjects. Anatomy and Physiology was her pet subject and her classmates will never forget the fun shared in the laboratory. We wish you success as a nurse, "Nan," and happiness in the future.

Latin Club 2; History Circle; Band 1, 2.

William Stanley Bobka

"Not that I love study less, but leisure more."

"Butch" and his car are a familiar sight cruising around town at almost any hour of the day. He is an unassuming type of person with a decidedly carefree personality. There is nothing that can disturb him except maybe dinner being late. He has certainly enjoyed his high school years and has made himself a worthwhile friend. He hasn't definitely decided on a career, but all the best wishes of his classmates go with him in whatever he decides to do.

History Circle; Tau Sigma.

Marcia Brodrick

"Judge not strength by size."

Marcia is one of the quietest little girls in our class, but she was always on hand to lend a helping hand in support of class projects. She is an admirer of sports and enjoys participating in baseball. She is on hand at all the football games and is always cheering the boys on to success. Marcia is undecided as to what field she will enter after high school, but we, the Class of '54, wish her great success.

History Circle; Food Sale Committee.

Edward Robert Brodrick

"The right man in the right place."

Now comes "Ed," one of our more moderate boys. "Ed" takes life as it comes, and doesn't think anything is important enough to ruffle his even disposition. Although he is never the instigator of any class joke, he certainly enjoys the merriment incurred. He is an all-round good fellow, and a backer of all C. H. S. sports. "Ed" puts his spare time to advantage by working at the First National. After graduation "Ed" will become a crane operator and '54 wishes him the very best of luck, always.

Junior Prom Committee; Tau Sigma;
Debating Society 3; History Circle.

Earle Myron Cadoret

"I'd rather be small and shine than be great
and cast a shadow."

"Good things come in small packages" and "Little Earle" is certainly no exception. His happy-go-lucky manner, broad grin, and twinkling eyes have been his trademark throughout high school. Occasionally, Earle and his buddies are seen cruising around town in a dark green Buick. He spends most of his spare time in Hudson, where, so we hear, he makes quite a hit with the girls. Earle has not decided what he will do in the future but '54 wishes him the very best of luck.

History Circle; Junior Prom Committee; Tau Sigma.

Ann Rita Camerano

"The mildest of manners and the gentlest of hearts."

Ann, who hails from California Court, has a pleasant disposition and a friendly way. She is a conscientious student and an enthusiastic rooter for our school team. After graduation her chief ambition is to enter the Worcester School of Business Science and to become a Medical Secretary. Needless to say, Ann, you have our sincere wishes for happiness and success. Lots of luck, Ann, from the Class of '54.

History Circle; Latin Club 2, 3; Junior Prom Committee.

Rita Ann Camerano

"To see her is to like her,
To know her is to love her."

A wonderful sense of humor and a pleasant disposition describe Rita, one of our most reliable and fun-loving seniors. She is known especially for her co-operation and her desire to help others. Although her leisure time does not permit her presence at all class activities, she is ready to do her share to make them a success. Rita plans to enter nursing this fall and we are sure that with her winning and pleasing personality she will be a great success.

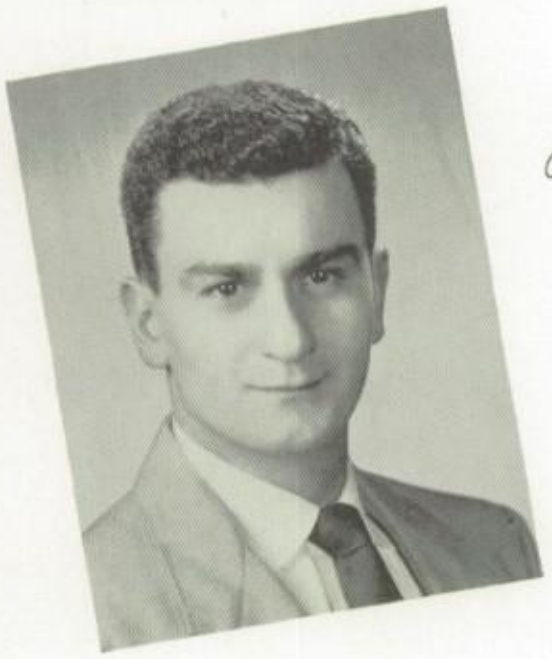
History Circle; Food Sale Committee; Octopus;
Class Book Staff; Junior Prom Committee Secretary.

Betty Ann Carl

"What sweet delight a quiet life affords."

Betty is a charming girl with a winsome smile and a wonderful personality. She is always willing to help her fellow classmates and lend a helping hand in promoting class activities. Her afternoons are spent working behind Woolworth's lunch counter, always "cooking up" something tasty. In the fall, Betty plans to begin her career as a "woman in white" and we are sure she will attain success. Best of luck from the Class of '54.

German Club; Latin Club 2; History Circle; Thanksgiving Show 3, 4.



Joseph Paul Ciampaglia

"To bring laughter — a special kind of Gift."

Everyone knows "Joe" — that's the only way to put it. He is one of the best-liked students in his class. His humorous stories and imitations are always welcome and have made him a favorite with everyone. The football field is no strange place for "Joe" and his excellent record merits the admiration of anyone who has ever seen him play. "Joe" has not mentioned his plans for the future but the Class of '54 sends him its best wishes and loads of luck.

Football 1, 2, 3; History Circle; Tau Sigma; Thanksgiving Show 3, 4; Junior Prom Committee.

Paul Matthew Clougherty

"Silence is golden."

Now we present Paul, one of our most quiet boys. Good looks are certainly one of his many attributes and he could be quite a "lady killer," if he chose to do so. Paul, however, is just not interested in that direction, preferring the more dependable pastime of sports. Throughout high school he has been a mainstay on all our athletic teams. After graduation, Paul is going to become an electrician and '54 is sure that he will be a real "live wire" in that field. Good luck, Paul.

Football 1, 2, 3, 4; Baseball 1, 2, 3, 4; Basketball 1, 2, 3, 4; History Circle; Junior Prom Committee; Tau Sigma.

Blanche Catherine Connor

"Friends she has many; foes, has she any?"

Take a delightful disposition and top it off with some glossy red hair, and here we have "Dutchie," captain of our cheeeleaders, who hails from Willow Street. This vivacious lass never missed a C. H. S. activity whether it be sports, dances, or patronizing the "Bowl." Blanche's cordial smile and frank, sincere personality have made her much sought after, and she always proves a delightful and interesting companion. Best of luck, "Dutchie," from the Class of '54.

Captain of Cheerleaders; French Circle; History Circle; Junior Prom Committee; Thanksgiving Show 1, 2, 3, 4; Food Sale Committee.

Gerald Albert Cooper

"The word impossible is not in my dictionary."

"Gerry" is an unassuming young man with a quiet and steady disposition, who after three years in our school, burst into prominence in the social field as a snappy senior. He is a supporter of all our class shows and dances, and is up there in the stands cheering the team on to victory. "Gerry" has no definite plans for the future, but we are sure his charming personality will carry him far on the road to success.

History Circle; Tau Sigma.

Richard Henry Cooper

"A good man's pedigree is little hunted up."

Prsenting quiet and dependable Richard, who is one of Mr. Flanagan's best helpers on the school newspaper. Without a doubt his efforts helped make it a great success. He is an all-round good sport, and certainly enjoys the merriment caused by his mischievous friends. He is also an avid sports' enthusiast and never misses an athletic event. Although he has no definite after-school plans we know he will be liked by all his future contacts as he was by the Class of '54.

Octopus; History Circle; Tau Sigma.

Shirley Patricia Corbin

"Speech is given to many,
But song is given to a few."

Presenting "Pat" our demure, brown-eyed songbird. The audience is spellbound for a moment, and then breaks out into a thunderous applause. Why? "Pat" has just sung and is being called back for many encores. She will long be remembered in the annals of C. H. S. for her beautiful soprano voice. Shirley leaves C. H. S. with wings on her feet, intending to become an Air Line Hostess. We, the Class of '54, salute you and wish you all good luck.

Junior Prom Committee; Thanksgiving Show 1, 2, 3, 4;
History Circle; Senior Hop Committee.

Charles Cozzens

"In his own quiet and diligent way,
He accomplishes his task, day by day."

A handsome lad with popularity unmatched describes "Charlie" as he is better known to his friends. Although he came to us from Hudson during his sophomore year, he readily acquired a host of friends with his easy going way and pleasing personality. Besides being present at all sports activities he has also received his share of testimonials. Although "Charlie's" future plans are somewhat vague we are sure he will overcome all obstacles in the path of success.

History Circle; Tau Sigma; Baseball.

Irene Louise Davidson

"Apparently so calm and sweet you'd never realize,
That a mischievous little self deep within her lies."

Irene, better known as "Sissy," is another popular C. H. S. miss, who is always ready with a smile and a cheery word. An outdoor athletic girl, "Sissy" favors horseback riding, but you never fail to see her at all C. H. S. sports activities, and this constant attendance has won her many friends. Ordinarily a quiet girl, a bit of mischief appears in her make-up when she is accompanied by her chum, "Barb." "Sissy" has plans for the future which include a career in the world of fashion designing. The Class of '54 wishes her a warm farewell and success.

Band 1, 2, 3; Orchestra 1, 2, 3; History Circle; Octopus.

Paul Francis DiBenedetto

"Mirth admit me of thy crew."

Is that Paul in the lecture room? Naturally! We guess that one good mischievous prank deserves another. Wherever there is fun and laughing we can rest assured that is where to find Paul. He always preferred leisure to study, but he managed to get satisfactory grades. He could be depended upon for a ride in his car at any time. Needless to say, Paul, we know you will succeed in whatever field you choose.

Tau Sigma; History Circle; Junior Prom Committee.

Marjorie Ann Dilling

"Little and sweet and oh, so neat."

Marjorie, better known to us as "Margie," is Berlin's worthy contribution to C.H.S. "Margie's" sweet smile and cheerful disposition have won her many friends at C. H. S. Marjorie spends her spare time at Woolworth's along with many of her friends. "Margie" is always ready to help her class and will always be remembered as that shy little girl from Berlin. Because she possesses so many fine qualities, we are certain that she will be a success. Best wishes, "Margie," from '54.

History Circle; Junior Prom Committee; Octopus.

Agnes Bernadette Duffy

"She has only one enemy in the world — the clock."

Rather demure looking, isn't she? Still we can't judge by outward appearances because, upon coming to know "Bernie," we would find out that she is one of our liveliest seniors. Nothing disturbs her, and her naive remarks and good humor have made her a favorite of all. As a ticket seller at the Strand, she spends most of her time waving at passing friends. "Bernie's" plans for the future are indefinite but the Class of '54 wishes her the best of luck in whatever she undertakes.

History Circle; Thanksgiving Show 1, 2; Octopus;
Junior Prom Committee; Food Sale Committee.

Philip Thomas Duggan

"For he who is honest is noble, whatever his fortunes or birth."

Now we present "Phil," one of our most athletic senior boys. Who could help but admire that handsome lad with the merry manner and the wide grin? He is always in regular attendnce at all the social events, and at any dance after the football games we are sure to see "Phil" breezing his way across the dance floor with a pretty girl on one arm. He is the owner of a '49 Chevrolet which one could always see cruising around town at any hour of the day packed with his gang. We, the Class of '54, wish him great success in all future endeavors.

History Circle; Tau Sigma; Football 1, 2, 3, 4.

Janice Ellen Dunn

"A thing of beauty is a joy forever."

A pretty smile and lots of style—that's "Jan," one of our most popular senior girls and capable leader of the Green and Gold baton section. Who could help but admire her as she skillfully and easily executed her many difficult tricks? Although she is a loyal supporter of all athletic activities and has supported all class and social activities, her name has continuously appeared on the testimonial list. After graduation she is planning to enter Jackson College and '54 sends her every wish for success in her future career.

Debating Society 3, 4; History Circle; Candy Captain; Thanksgiving Show 1, 2, 3, 4; Food Sale Committee; Senior Dance Committee; Junior Marshal; Junior Prom Publicity Co-Chairman; Twirlers 1, 2, 3 (Leader 4); Class Book Staff; Octopus; Latin Club 2; Senior Hop Committee.

Chester Ronald Dziczek

"Silent, but pleasant toward all."

Dependable, reliable, and faithful describe "Chet." No matter what the job was, the class could always depend on "Chet" to help out in whatever way he could. Besides taking part in all school activities, he has been a consistent testimonial student. We know that whatever "Chet" chooses to do he will do very well, because he has the initiative and ability to go ahead. Best of luck, "Chet," in whatever field you choose.

Boys' State Representative; Varsity Football Co-Manager; History Circle; Latin Club 2, 3, 4; French Circle; Tau Sigma.

Joseph John Ellam

"A true sport in every sense of the word."

No introduction is necessary for "Joe," who is well-known and liked by all. While a member of our football and basketball teams he achieved an enviable record. His success, however, was not confined to sports alone. His ability as a student was clearly demonstrated in the classroom and as our treasurer he helped to conduct class affairs so efficiently they were a success financially and socially. "Joe" plans to attend Notre Dame next fall and we, the Class of '54, extend our best wishes for his future success.

Ruth Marion Fateiger

"Each little curl should be treasured a pearl."

Throughout her three years with us at C. H. S. we found "Ruthie" to be one of the nicest, best-liked and most obliging girls. Her enthusiastic support in all class functions has labeled her as industrious and although lessons never seemed to bother her, she always managed to get her share of testimonials. After school you can find her putting her time in behind Woolworth's lunch counter, whipping up something tasty. She is undecided about her future, but the Class of '54 sends her best wishes for the future.

History Circle; Junior Prom Committee; Junior Marshal; Band 1, 2, 3; Orchestra 2, 3.

Robert Alexander Ferry

"An outstanding athlete, sportsmanship personified."

"Bob" better known as "Chick" by his friends and throughout the sports world. "Chick," whose performances on the gridiron will put him down in C. H. S. history as one of our outstanding athletes, can always be seen cruising around in his big shiny Buick convertible. This sportsminded young fellow has not yet decided on a career for the future but the Class of '54 feels sure that he will succeed in whatever he chooses. All the luck in the world from the Class of '54.

Marlene Helen Henry Fontana

"Whose yesterdays look backward with a smile."

Marlene is a tall, pretty girl who hails from Burditt Hill. If you can't find her at the movies, she's sure to be dancing, especially the polka. Sports are one of her favorite subjects and she can always be seen whenever the "Galloping Gaels" make an appearance. Her plans for the future are indefinite although she is prepared for a business career. In whatever she undertakes, the Class of '54 wishes Marlene every success.

Junior Prom Committee; Junior Marshal; History Circle; Thanksgiving Show 4.

Rosemarie Isoline Fontana

"Music hath charms."

Rosemarie is a regular follower of all sports events and school activities. Rosemarie has ebony hair, vibrant eyes and a friendly smile. The Thanksgiving shows and school talent shows would never be complete without Rosemarie singing in her sweet way. In addition to being so active in extra-curricular activities, she has obtained and held a high scholastic record during her four years in high school. The Class of '54 wishes Rosemarie a full and successful life in the future.

Band 1, 2; Orchestra 1, 2; Thanksgiving Show 1, 2, 3, 4; Junior Prom Committee; National Honor Society; Latin Club 2; German Club; History Circle; Octopus; Junior Marshal; Varieties of '52 and '53.

Richard Louis Foster

"I'm the captain of my destiny."

Here comes "Dick," one of the best-liked students that ever came to C. H. S. from Sterling. "Dick's" personality and his ability to make friends show that he is a merry-making guy. We will admit "Dick" never breaks his back or strains his muscles carrying textbooks to and from school, but he always manages to pass the grade. "Dick" is undecided concerning his future plans, but whatever he does, we all know with his ability of making friends that he will be successful. The Class of '54 wishes "Dick" the best of luck.

History Circle; Tau Sigma.

Janet Ellen French

"Mischief never thrives without wit."

This is "Frenchie," a happy-go-lucky miss who, at the local movies, passes out a gay smile with every candy bar. Her carefree manner and ready wit have made her popular with all. This is shown by the fact that she was elected secretary three consecutive years. Friend and confidante to all, she has always been able and willing to give sound advice to a pal in distress. "Frenchie" will enter Pediatric nursing in the fall. Our best wishes will be with her always.

Wherever there is fun to be had, whether at sports, dances, or other school activities, you will find "Ace" in the midst of it. She has also managed to keep her marks well up in the testimonials. All these things add up to the wonderful person and lasting friend that Ann is to us. '54 wishes Ann good luck in her future college career.

Junior Prom Committee; Junior Marshal; Debating Society 3, 4; History Circle; Food Sale Committee.

Ernest Peter Garofoli

"This gentleman will out-talk us all."

This is "Junior," who hails from Burditt Hill. A very sociable fellow, his warm smile and happy "hi there" have made him a favorite with all his classmates and acquaintances. During his four years at C. H. S., his interests have been many and varied with socials, sports and work in a local grocery store claiming their share of attention. "Junior" always knew his lessons. He hopes to enter Saint Michael's next fall. Best of luck, "Junior." We know that you'll be a credit to '54.

Debating Society 2, 3, 4; National Forensic League 2, 3, 4; Tau Sigma; Junior Prom Committee; History Circle; Latin Club 4.

Ernestine Ann Garofoli

"It's a friendly heart that has plenty of friends."

A lot of energy and enthusiasm — that's "Honey." Dark-haired and tiny, she has been one of our finest cheerleaders and always managed to take part in class productions. The cheerleaders version of "That's Amore" in the Thanksgiving show of her Senior year will certainly be one of the happiest moments she'll remember. "Honey" hasn't decided what to do after graduation, but whatever it is, the best wishes of the Class of '54 go with her.

Latin Club 2; History Circle; Junior Prom Committee; Cheerleader 2, 3, 4; Thanksgiving Show 3, 4; Junior Marshal; Debating Society 4.

Catherine Phyllis Gavin

"When Irish eyes are smiling."

Phyllis, as she is known to everyone, is one of our nicest senior girls. As far as her life outside of school is concerned, she is somewhat of a mystery to us, but in school none of us are unacquainted with her. When in trouble, one can always receive good advice and sound judgment from "Phyl." Her conscientious and faithful work have helped her much toward success in all of her undertakings. As yet, she has made no plans, but with all these qualities she is destined to succeed.

National Forensic League 1, 2, 3, 4; Debating Society 1, 2, 3, 4; History Circle; Junior Prom Committee.

Robert George Gibbons

"In thy face we see a map of Honor, Truth and Loyalty."

Introducing "Bob," the man with the Harvard clip and friendly smile, who hails from the famous Acre district. "Bob," a player on the football team, regardless of the size and fame of the opposition, consistently turned in a stellar performance at guard. He always did well in all his classes, which, due to his presence, never knew a dull moment. Georgia Ginas

"Always happy, always gay,
You'll find her that way every day."

One of the chief attractions of C. H. S. is watching Georgia come running up the stairs at 8:05 racing the tardy bell. The smart people put their money on Georgia as she always makes it. Being a born conversationalist and dancer, Georgia usually waltzes and talks herself into and out of most trouble. Although she is active in school affairs and always attends all sport events, her school work has never suffered. Georgia has no definite after-school plans but we know she has the attributes necessary for success.

C L A S S S O N G

To you Fair Alma Mater
We sing our praises true,
Your teachings ever more to mold
Above the Green and Gold.
You have brought us on and upward,
Teaching us the just and right;
We will carry on forever,
Trusting to your guiding light.

Out of the age-old splendor,
Out of the sunlit sky.
Thro' fields of purest azure
Gleams faith and purity.
Sacred shall our colors ever
Wave in bright array on high,
We're hoping and we're striving
Our own deeds to glorify.

Upward then and ever onward
O'er seas of joy or strife,
With honor, love, and loyalty
As symbols in our life.
Every task for us to gladden,
Bright'ning more and more the way,
We will keep our shields well burnished
For the conquest of each day.

I chose, at random, a book to read,
One to appease curiosity's need.

Senior Hop

As a social highlight after the mid-mark of the school term, our class again sponsored the very popular Senior Hop. The Town Hall was selected as the site for the big event. The hall was appropriately decorated with streamers, brightly-colored balloons, graduation caps, scrolls imitating diplomas and a huge class ring at the entrance, to present a "Senior Class" motif.

Paul Redmond and his orchestra provided smooth danceable music. Mr. Gordon climaxed the evening by leading the grand march and made the affair the usual great success.

Junior Prom

The social finale of our Junior year was our very own Junior Prom, which was held on June 15, 1953 at Fallon Memorial Auditorium. Traditionally, the Juniors gave the affair as a last farewell to the departing Seniors.

The decorating committee came up with the theme of romantic "Hawaii," which was manifested by the palm-tree entrance and hula girls, with a gigantic "Aloha" on the stage curtain. To the right of the entrance was Cozy Corner complete with lawn furniture. Pastel streamers and glittering silver stars encircled the balcony. To complete this scene the front of the stage was covered with beautiful colored flowers. Over this setting the crystal ball cast a splendid shadow of evermoving color and light.

These effects created a romantic mood on all the couples dancing to the dreamy music of Salamone's Orchestra. Climaxing the evening was the grand march conducted by Mr. Lewis S. Gordon with the traditional exchange of caps and gowns from the Senior to the Junior officers. Ann Zoll was crowned as queen with Marlene Roncone and Betty Hamilton as her attendants.

Parents and friends who witnessed this Prom, acclaimed it one of the best Proms ever, and one which would not be surpassed for years to come.

Lace Record Hop

Our Senior class instituted a strikingly new social event called a "Record Hop," which was held January 8, 1954 at St. John's Auditorium.

The entire class worked diligently on the project. Many posters were placed in neighboring towns, further publicizing the dance.

The well-known disc-jockey, Miss Lace of WAAB and Channel 14, was Mistress of Ceremonies and played her own selection of popular records. The warm response of so many couples and Miss Lace's enjoyable music made the "Record Hop" a great success financially as well as socially.

National Honor Society

The National Honor Society is the most important of all extra-curricular activities. It is under the direction of Mr. Lewis S. Gordon and is sponsored by the local Rotary Club. First elections are announced at the end of the Junior year for those who have attained a general average of 85 or better. Second elections include additional Seniors who have made the required grade. Every year, at a banquet, given by the Rotary Club, each member is presented with a pin, which is a mark of his intelligence and achievement. Last year's banquet was held at the "Meeting House" in Princeton.

INTRODUCTION TO FOOTBALL

Under the capable leadership of coaches McMahon and Kronoff, the 1954 Galloping Gaels came on the field to another Midland League Championship. This year's squad included the following seniors: Paul Clougherty, Phil Duggan, Joe Ellam, Chick Ferry, Bob Gibbons, Earl Gonyea, Slug Grady, Rock Jewett, Pete McEvilly, Phil Philbin, John Robichaud, and Harry Vanasse.

Clinton 12 Milford 6

The Galloping Gaels opened their 1953 season with a close victory over their Midland League rival Milford. The game was played at Fino Field in Milford before a large crowd.

During the first quarter Bob Ferry grabbed a Milford punt on his own 49-yard line and ran 51 yards for pay-dirt behind some tremendous blocking by his fellow teammates. The try for the extra point was missed by Ferry.

At the start of the second quarter, Clinton quarterback Slug Grady threw a long pass to right end Joe Ellam which was good for 25 yards. Several bucks brought the ball to the 10-yard line, where a fumble by the Gaels was recovered by Remellie of Milford. An attempted pass by Milford was intercepted and Ferry carried the ball over on the next play but again he missed the extra point.

In the final quarter a 15-yard penalty brought the ball to the 3-yard line of Clinton. Deluzio scored on an end sweep for the Red and White. The try for the point was blocked.

This victory showed full well that we were not a team with which to be trifled. The McMahon and Kronoff charges gave evidence of a prominent season that was to follow.

Clinton 20 Worcester Trade 0

Three thousand thrill-packed fans witnessed the Green and Gold run roughshod over the highly touted Trade eleven.

The Gaels' scoring started off with Joe Gadomski galloping 51 yards to the enemy goal. Jim Peete scored the second time in the first period with an intercepted pass on the Trade 35-yard line.

The final Clinton tally came early in the second quarter. Following a 62-yard drive, left end Pete McEvilly went over for a touchdown.

Joe Ellam was credited with two points after tackling Sullivan of Trade in the end zone.

During the rest of the game the reserves saw plenty of action and deemed themselves worthy of recognition.

Clinton 20 St. Peter's 6

Clinton knocked on St. Peter's gate for a decisive victory which extended its undefeated skein to three.

The first score came late in the second period when a short pass from Bill Grady to Joe Ellam was completed. It was in the closing minutes after Parse, St. Peter's quarterback, flubbed a fourth down pass on his 25-yard marker.

Bob Ferry carried the second touchdown. Right end Ellam intercepted a pass from Buddy Parse on the visitors' 10 and took it up to the 4-yard limit. Ferry did the rest. The extra point, first one made this season, was good on a pass from Ferry to Al Jewett.

Clinton 9 Leominster 20

Six thousand, five hundred fans witnessed this hard-fought contest in which the breaks of the game gave Leominster their win as the Gaels succumbed to a case of the fumbles, resulting in Leominster's three touchdowns.

In the first period, Flanagan of Leominster kicked a beautiful punt deep into Clinton territory. The sphere bounded off Ferry's fingertips and rolled down to the 4-yard line where LaPosta of Leominster fell on it to set up their first touchdown. A few plays later the Gaels again fumbled on their own 30-yard line. Then Angelini connected with a pass to right end Marteneau for the score.

The Gaels came to life as a defensive unit when Ellam and Gibbons tackled Angelini in the end zone for a safety and two points for Clinton. The big thrill came in the next period when Bob Ferry took a screen pass from Slug Grady and, behind beautiful blocking by Jim Peete and Pete McEvilly, raced 65 yards to the 4-yard line where Grady took it over.

Leominster's Flanagan again kicked a lazy high punt which hit on the 1-yard line with Gadomski attempting to grab the ball. It bounded off his hands and LaPosta grabbed it for their third touchdown.

The final score came early in the last quarter. It was again initiated by a pass interception. Quarterback Grady caught a Parse pass and took it from St. Peter's 32 to their 28 standard. A first down came on the 10, after several advances by Ferry and Grady. Ferry booted home the point conversion.

With less than two minutes left to play, St. Peter's rallied for their final score.

Clinton 34 Bartlett 13

Bob Ferry scored three touchdowns and passed for another to lead the Gaels to a rout over Bartlett High of Webster.

The Gael halfback tallied twice in the first period on runs of 5 and 8 yards and adding the extra point from placement each time.

With two minutes remaining in the first half Ferry teamed with end Pete McEvilly on a 45-yard pass play for the third score. Grady rushed the extra point. On the ensuing kickoff Bartlett halfback Don Hapec raced 80 yards through the entire Clinton team for a score. In the next period Ferry again scored on a pass from Bill Grady behind good blocking.

With the Clinton reserves now playing, Don Hapec of Bartlett scored another touchodwn with an end run from the 5-yard line. With less than a minute left to play, Al Jewett smashed through tackle for the final score and Ferry added the extra point.

Clinton 7 Hudson 6

Before an estimated crowd of two thousand thrilled fans the Gaels fought valiantly to overcome a stubborn, inspired Hudson foe.

During the first half Clinton was outplayed by the bigger line of Hudson. Midway in the first period, Tencati of Hudson climaxed an 80-yard march with a touchdown from the 2-yard line, but the placement which was to be the deciding point of the game was blocked by Joe Ellam.

In the beginning of the third period Clinton took the ball and behind great runs by Gadomski and Vanasse, who almost broke into the clear, brought the ball to the visitors' 30-yard line. On the next play Ferry scampered through left tackle and broke into the clear for the touchdown. Ferry split the uprights for the all-important extra point.

For the rest of the game Hudson threatened several times. But behind the brilliant punting of Ferry and the fine defensive work of the whole team, the Galloping Gaels remained undefeated in Midland League competition.

Clinton 34 Maynard 7

Clinton's Galloping Gaels breezed their way to the Midland League title in the 46th edition of the annual Thanksgiving Day classic. Although Ferry stole the show, it was the entire Clinton squad displaying itself in masterful fashion and playing as a smoothly balanced unit that was responsible for this victory.

Early in the first period Jewett recovered a Maynard fumble and, on the next play, Ferry went through center behind terrific blocking to score his first touchdown of the game. Several completions from Grady to Ferry brought the ball over for another touchdown. Ferry kicked the extra point.

In the second period Ferry completed a 22-yard pass to Joe Ellam which was good for the next touchdown. In the beginning of the third period Grady again connected with Ferry who ran 35 yards for another touchdown. Coach McMahon put in the second string and after a series of first downs Torppa passed to Murray for a Maynard score.

In the final few minutes, with the seniors perhaps playing in their last football game, Grady threw a screen pass to Ferry who ran 65 yards behind good blocking and terrific broken field running for the final score.

As usual, everyone had a part in the victory with the reserves as well as the regulars playing brilliantly. The defensive play of Jewett was outstanding, while Bill Grady showed himself unequaled as a passer. Jim Peete also played his usual terrific game as guard.

First Row, left to right: W. Grady, R. Ferry, A. Jewett. Second Row, left to right: J. Gadomski, H. Vanasse, S. Zythiewicz, T. Litterio, L. Cravedi.

ROBERT FERRY WILLIAM McMAHON JAMES PEETE

Clinton 41 Marlboro 13

With scoring in every period and twice in the first and fourth periods Clinton trounced Marlboro, although Marlboro registered touchdowns in the third and fourth periods against Clinton's reserves.

Bob Ferry made three of the six Gael touchdowns in the first half and added five more extra points by placement. Ferry scored his touchdowns with runs of 45 yards, 19 yards, and 10 yards. In the third period Grady completed two long passes to Ellam. The second of these was good for a touchdown. Marlboro began to get the scoring urge with the ball on their own 25-yard line when Stone broke away and ran 75 yards for a touchdown against the Clinton reserves.

In the fourth period Vanasse galloped 30 yards to the 2-yard line and the Gaels scored again as Zytkiewicz scored from two yards out. Marlboro came right back with a 58-yard touchdown gallop by Letendre. Immediately afterwards, Vanasse raced 45 yards for the last touchdown.

The reserves played most of the second half and although they were scored upon, they showed that they had plenty of spirit and fight.

Football Banquet

WILLIAM GRADY JAMES PEETE ROBERT FERRY PETER A. O'MALLEY

More than four hundred persons attended the ninth annual football banquet given at Fallon Memorial Auditorium, honoring the Galloping Gaels who had won eight games while losing only one. The Rotary, Exchange and Lions Club sponsored this banquet which was enjoyed by all.

Thirty gold footballs were presented to the team members by Athletic Director Joseph McCaffrey, and three trophies, donated by the Booster Club, were presented by Peter O'Malley, Booster Club president. Jim Peete was selected as outstanding linesman, while Bill Grady was judged outstanding back; Bob Ferry was awarded the most-valuable-player trophy. Both Ferry and Grady were also elected as co-captains for the past season.

Congressman Philip J. Philbin took over as master of ceremonies, introducing Rev. Francis Carroll, pastor of Our Lady of the Rosary Church, who gave the invocation and benediction. Next the guest speaker, Johnny Ambrose, sports director for Station WTAG and athletic director of the Worcester public school system, who spoke about football in general, was presented. Oren Bjurling, Worcester Telegram sportswriter, and Frank Kronoff, assistant coach at Clinton, also spoke. Coach "Bingo" McMahon gave a short talk referring to this year's squad as perhaps the most inexperienced group that he has coached in many years.

The co-captains presented gift certificates to Coaches McMahon and Kronoff and Joe McCaffrey, Athletic Director.

Baseball

The "Galloping Gaels" will field a well-rounded ball club in '54. Coach "Babe" Weihn will have many veterans and some new stars on the squad. The team's pitching duties will be helped by two speed-ballers, namely, Pete McEvilly and Captain "Chick" Ferry. "Chick" is also a fine second baseman. The team will be a good hitting club with power and consistency.

With all this excellent hitting, good pitching and some errorless fielding, there seems to be no doubt that C. H. S. will have an enviable season. With a little luck, we believe that Coach Weihn and the boys will gain a baseball championship.

This year's edition of the Clinton High Galloping Gaels' basketball team was tabbed as possibly the best that has been produced at the school in many years. After an opening game loss to Gardner, the Gaels got up off the floor and managed to win their next fourteen in a row, before being beaten on an off-night by Shrewsbury in the Assumption Tournament. The Seniors on this year's team are Captain Bob Ferry, Joe Ellam, George O'Malley, Jack McLeod, and Pete McEvilly, who did an outstanding job in aiding the Gaels to their most successful season in a long while. The Gaels won the Midland League Title and in doing so established a league record of ten consecutive wins. The Lettermen on this year's varsity included Jim Peete, Ed Mitchell, Ray Sledzik, Dave Bailey, and Don Poulin and the prospects for next year look very bright.
